

spring cleaning

- dust off all air conditioning units, vents, baseboards & ceiling fans
- take note of outside temps & lower the heat accordingly
- clean your windows & crack them open to let in the fresh air
- make a vinegar/baking soda solution & apply to baked-on food particles in microwave
- turn on the self-cleaning function on the stove
- remove & wash refrigerator drawers
- declutter your closet & make a donation pile
- flip your mattress & vacuum both sides
- scrub down bathroom shower & fixtures

don't forget.

daylight saving time takes effect on **Sunday, March 10!**
Turn your clocks ahead by 1 hour & savor the extra minutes of sunshine in your cozy apartment or out in the city!

WE'RE MOVING!

...but not very far! In order to better serve our community, we're expanding our office space to 1429 Park Street. This is yet another Parkville location that was booming with activity at its inception at the turn of the 20th century. Our new neighbors are artists, non-profit organizations & designers, with a cafe & brewery on the horizon! Stay tuned for more.
