

JANUARY 2025

Happy New Year, Hartford! Holiday wish lists have turned into resolutions, naturally giving way to reflection on 2024. It's been encouraging to see new neighbors & small businesses move into Parkville this year. We're excited for the year ahead & will continue to do our very best to be a champion of this awesome city! Kickstart the new year with First Night! Click the picture to be redirected to info about festivities throughout Downtown Hartford!

We're running a **NEW YEARS SPECIAL** on *select apartments* in Parkville: Sign a 12 month lease & receive \$500 off in your 2nd month! Terms apply. Call us at 860-522-8000 for your tour today!

Georgia's first steps & stitches as a creative entrepreneur began on the hiking trail. When she couldn't find exactly what she wanted in the way of hiking gear, she decided to *make* it, armed with a hand-me-down sewing machine & plenty of research!

Over the last four years, the handmade lightweight & durable designs that were born out of necessity unfolded into a business. Through website sales & partnerships with wholesalers, Hartford Gear Co outgrew its old space & moved to 1429 Park Street, aka The Design Center in Parkville!

Georgia does her best to source materials from businesses located in CT, many of them being sustainable. During our visit we were blown away by her designs - from cross body bags, totes, wallets, spike bags & more! The journey continues for Hartford Gear Co in 2025, so be sure to follow along on IG, or visit www.HartfordGearco.com.
